A deposit of \$50.00 and a completed application will reserve a seat for you. Fees are not refundable, however if you must cancel, I will train you in another class at your convenience over the next year. While NRA (National Rifle Association) membership is not a requirement, I surely encourage you to join. Membership in NRA is usually \$35.00 per year, however, should you choose to join during your training, I will offer NRA membership for only \$25.00. Of course, this membership includes; your choice 1 of 3 nationally recognized magazines on firearms, self defense, concealed carry articles, free insurance, with discounts on hotels, rental cars and etc as a bonus.

Each participant will need to bring the following to class: Pen/Pencil, 1.5" Looseleaf notebook, baseball cap, hearing protection, eye protection, waist belt and strong side holster. (Due to safety precautions, cross-draw, shoulder, ankle and/or small-of -back holsters are not allowed.) You will also need at least 100 rounds of full power factory ammunition for the handgun you will be using. Please bring new purchased ammunition IN THE BOX. HANDLOADS are NOT authorized. IF you do not currently own a SAFE handgun, I would recommend that you take the class using a borrowed handgun and then provided with more information may select a better suited personal concealed carry handgun. Bear in mind that you will be outside for an hour or two, so dress accordingly. Jeans or slacks with pockets are needed, as you will be required to put your extra ammunition in them while firing your handgun. Open top shirts and blouses are discouraged as the hot expended rounds will find their way to your skin. We will have a working lunch, if you would like to bring a sandwich and/or snack please do. Soft drinks and water will be furnished.

As already indicated you will need to bring a SAFE, functional handgun to class (remains in your automobile until told to remove it by your Firearms Training Instructor). You may use a semi-automatic or revolver in any caliber. Please DO NOT bring modified or competition handguns.

FIREARMS ARE NOT ALLOWED IN THE CLASSROOM unless FIRST AUTHORIZED by the Training Instructor. ALL handguns will be inspected for SAFETY before use. NO AMMUNITION or LOADED GUNS are allowed in the classroom BY ANYONE, at ANY time.

Firearms brought to the Firing Range MUST BE UNLOADED and CASED or HOLSTERED. Firearms will only be brought from your automobile when instructed by the Firearms Training Instructor. South Carolina law requires that all handguns carried in an attended or locked automobile be secured in a closed glove compartment, closed console, closed trunk, or in a closed container secured by an integral fastener and transported in the luggage compartment of the vehicle. SAFETY is PARAMOUNT. Please refrain from comparing handguns with other participants during training and/or at the range. Should you have a medical condition that LIMITS your ability, or physical disability, please advise us.

Training locations and directions will be provided to you after your registration is accepted.

Uniform Standards of performance for each task will be evaluated by a written test and practical application. A positive ATTITUDE and SAFE handling of firearms MUST be demonstrated to the Training Instructors satisfaction. Participants who refuse to follow safety practices as demonstrated in class and/or repeatedly act in an UNSAFE manner WILL BE EXPELLED and will not receive a refund. The Training Instructor's judgment will be final in ALL cases.

Completion of this class, DOES NOT authorize you to carry a concealed firearm. Upon graduation of this class and satisfactorily demonstrating both written and practical application skills, you MUST apply to SLED (South Carolina Law Enforcement Division) to become a CWP (Concealed Weapons Permit) holder. SLED requires a \$50.00 cashiers check or money order with application.
